ORDER:

In the reference 2nd read above, the Engineer-in-Chief (Irr), Water Resources Department, Vijayawada has forwarded the proposals of the Chief Engineer, Krishna Delta System, Vijayawada and requested the Government to issue necessary permission for drawl of water (0.070 TMC/Annum) from Krishna River above Prakasam Barrage @ Km 3.300(i.e., Gollapudi Village limits) for supplying drinking water to Gollapudi habitation of Gollapudi Village in Vijayawada Rural Mandal of NTR District.

2. Government, after careful examination of the proposals of Engineer-in-Chief (Irr), Water Resources Department, Vijayawada and taking into consideration drinking water is the first priority as per the State Water Policy, hereby accord permission **for drawl of water (0.070 TMC/Annum) from Krishna River above Prakasam Barrage @ Km 3.300(i.e., Gollapudi Village limits)** for supplying drinking water to Gollapudi habitation of Gollapudi Village in Vijayawada Rural Mandal of NTR District subject to the following conditions:

1. The concurrence of the District collector, NTR District for the proposals has to be obtained before drawing the water and construction of Intake well cum Pump house.
2. The water can be spared subject to the availability of water in the Krishna River.
3. The entire cost of construction of intake well, pump house, pipelines excavation, etc., should be borne by the RWS & S Authorities only.
4. Water meters or suitable measuring devices should be installed by the RWS & S Authorities at their own cost to measure the water consumed and should be made available to the department Authorities and the representatives of the user shall be present at all time of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the department.
5. The RWS & S Authorities should pay the water rate at the existing rates and subject of revision by the Government from time to time. In case of failure to pay water rate/royalty the permission to draw water shall stands cancelled.
6. The RWS & S Authorities shall obtain the prior concurrence from the concerned departments for laying pipelines and for any crossing etc., wherever necessary.
7. As per the drawing it is observed that the proposed pipeline alignment have to cross the Krishna left Flood bank, for which a separate permission have to be obtained from the Water Resources Department for crossing the KLF Bank, before laying pipeline and drawing the water from Krishna river and construction of Intake well cum Pump house.
8. As per the drawing it is observed that the proposed pipeline alignment have to cross the Cooling water canal for which a separate permission have to be obtained from the Dr.NTTPS Authorities for crossing the Cooling water canal before drawing the water from Krishna River and construction of Intake well cum Pump house.

9. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government the lease should be paid as fixed by Government only.
10. The Water Resources department reserves the right for cancellation of the permission without assigning any reasons thereof.
11. The Water Resources department is no way responsible for non-supply of water due to any reasons.
12. The RWS & S Authorities must acquire the private land for installation of pumping arrangements if necessary.
13. The RWS &S Authorities must strengthen the river margin 100m.., from the toe to the river Flood bank.
14. The RWS & S Authorities has to lay CC(1:4:8) before laying the pipeline and CC(1:2:4) over the pipeline refill the pipeline with proper soils and consolidate the banks as directed by the department.
15. The RWS & S Authorities have to construct CC walls to avoid leakage at pipeline crossing.
16. The water drawn from the Krishna River should be utilized for the purpose for which the permission is granted. Any misuse of this account shall entail cancellation for the permission without any notice and liable for imposition of penalty.
17. The RWS & S Authorities should follow the Revenue Board Standing Orders.
18. If permission is accorded, the RWS &S Authorities have to conclude agreement with the officers concerned of Water Resources department for drawing the water.
19. The RWS & S Authorities shall abide by R.C Act.-1884 and any other condition lay down by the Government department from time to time.
20. The RWS & S Authorities shall abide by any other conditions lay down by the Government department from time to time.
21. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Government.
22. The Department is no way responsible for any damages that may occur to the Intake well cum Pump house due to floods in Krishna River or on an account of any other reasons.
23. No adherence to any of the above conditions by the RWS & S Authorities will entail cancellation of the permission.
24. The RWS & S Authorities have to produce the relevant records for department verification at the end of each quarter periodically.

4. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada shall take necessary action.

5. Copy of the order is available in the **apegazette.cgg.gov.in** website.
